	PREMIUM: $100,000		

This report represent the top performing Fixed Indexed Annuity Crediting Methods based upon the sorting criteria selected for this report. The rates used for this report are updated at the beginning of every month and can be changed without warning. Hypothetical returns, like the ones represented in this report, should not be the only criteria used when selecting a Fixed Indexed Annuity product. All features of a particular product should be considered along with the performance information represented in this report.
