WealthChoice FIA
**GREAT RATES &
CONSISTENCY**
BOTH MATTER

Guaranty Income Life Insurance Company

currently offers some of the top S&P Cap rates in the market, but we understand that consistency is also important. To deliver the balance your clients seek, we emphasize stable renewal rates through the duration of the annuity contract surrender period. We are proud to display a near-perfect track record regarding our renewal rate history for the *WealthChoice FIA*.

Our renewal rate strategy values stability and makes us a dependable partner!

Guaranty Income Life Insurance Company aims to spend the same on options from year to year. Many other factors, such as volatility and interest rates, which are beyond our control, can still affect the ultimate rate. However, we strive to keep rates stable....and so far we have!
